**Guests:** Dr. Molloy, Dr. Hardy and Dr. Luo

### **I DISCUSSION ITEMS**

1. Prof. Jackson presented two proposals for minor changes to the XXX 767: Dissertation Residency Credit policy. The first proposal was that when post-qualifying students are required to go off-campus for essential field work, 767 enrollment can be waived for a maximum of two semesters; during this time they would register for XXX-749 (zero credit) In cases where international travel is involved the student must also register with the International Center and take out their health insurance policy. The second proposal was to allow students to defend their dissertation without enrolling in 767 if the defense can take place within the first two weeks of the semester. Both proposals were unanimously approved by Graduate Council.
