

## Lexmark Fellowship

### Nomination Instructions/Information

#### For Students:

1. If your DGS has offered to nominate you for this fellowship, or if you wish to ask your DGS for a nomination, please bring them this form (either a printed hard copy, or emailed version).
2. After this form has been completed by your DGS, you will need a pdf copy of it to attach to your fellowship application. The fellowship portal will not allow you to submit your application without an attachment, attaching any other document will result in an automatic disqualification from this fellowship.
3. Receiving a nomination from your DGS **does not** guarantee your eligibility for this fellowship.

#### For Directors of Graduate Studies:

1. Please provide all information requested in this form.
2. Once you have completed the form, return it to the student for them to include in the application process.
3. If a student you have nominated is selected to receive a fellowship, you may be contacted to verify your nomination. Because of this, the Graduate School recommends keeping a copy of this completed form for your own records.

Email questions to: [grad.fellowships@email.uky.edu](mailto:grad.fellowships@email.uky.edu)
