Overload Request Form
UK Graduate School

This filled-in form must be sent by the DGS as an e-mail attachment to Associate Dean Kevin Sarge (kdsarge@uky.edu). That e-mail must be copied to the student, the student’s current supervisor, and the overload activity supervisor (if different from their current supervisor).

In sending this request, the DGS affirms that he/she believes that the requested overload activity will not interfere with the student’s ability to handle their coursework, current workload, or their timely progress to degree, and that the student has agreed to this overload activity.
