

The Graduate School

Graduate Student Incentive Program (GSIP) Nomination Form

Check one:

New:

Renewal:

Deadline: Only students newly awarded an external fellowship are eligible to be nominated. While there is no specific deadline for the GSIP, the department must nominate the student within the first semester that they receive the award. Students are ineligible for retroactive awards and will forfeit their eligibility if they are not nominated within this time frame.

Student: _____

Address: _____

Student ID Number: _____

Department/Program: _____

E-mail: _____

Fellowship Begin Date: _____

Nominees must have been awarded a nationally or internationally competitive fellowship of \$10,000 or more annually. Fellowship recipients from all areas of study are eligible to apply.

Please include documentation for the following items:

- Fellowship award letter or copy of HRS assignment, if applicable, with stipend amount indicated
- Documentation that the award is a nationally or internationally competitive fellowship
- Beginning and ending dates as noted by the awarding agency

Please include as much information about the external fellowship as possible.
