Graduate School *Celebrations*

Congratulations to fellowship competition award winners in Aerospace and Mechanical Engineering (left to right), **Brennen Mullins**, **Luis Chacon**, and **Tori DuPlessis**, for receiving the [Lexmark Fellowship](#)! These fellowships are designed to assist students who are pursuing graduate degrees in Mechanical Engineering, Aerospace Engineering, Electrical Engineering, Computer Engineering or Computer Science.

Congratulations to this fall's fellowship competition award winners **Margaux Crider** (Sociology, top left), **Leo Bettel** (Civil Engineering, top right), **Jessica Nwafor** (Anthropology, bottom left), and **Bethany Craig** (Geography, bottom right) for receiving the [Association of Emeriti Faculty Endowed Fellowship](#) ! These fellowships express the commitment of emeriti faculty to the preparation of outstanding future college and university teachers.

Congratulations to **Trahnel Mitchum**, Executive Assistant to the Dean, and **Chassidy Rice**, Admissions Officer II - the latest recipients of *The Dean's Annual Award for Staff Excellence!* Based on nominations from their colleagues, this prestigious annual award recognizes Graduate School staff who consistently go above and beyond to enhance our workplace and graduate community.

Congratulations to **Cleophus Price, Ed.D.**, Assistant Dean for Academic Services at The Graduate School, who has received an [award from UK Staff Senate](#): **Student-Nominated Staff Member of the Year**. The UK [Staff Senate](#) is the official representative body of the staff of the University. We are proud of him and his devotion to serving students!

Graduate Student *Spotlight*

Esther Ndashaala, a Martin-Gatton CAFE Master of Science graduate in nutrition and food systems, spoke at the [December Commencement](#). Graduates listened intently during Esther's student address at the morning ceremony: *"Whether we are heading into healthcare, technology, education, or any other field, we each carry a piece of this place with us, and an unspoken promise to make our communities stronger, healthier, and more resilient."*

Funding *Opportunities*

The Graduate School's Spring 2025 Fellowship Competition is now open!

These opportunities will provide funding for the Fall 2025 and/or Spring 2026 semesters.

Find full descriptions for each of the **fellowship opportunities** [here](#).
Access the **application** [here](#).
