→ ASSISTANTSHIPS

- Teaching Assistant (TA)
- Research Assistant (RA)
- Graduate Assistant (GA)

An appointment to specific teaching, research, or general duties in exchange for certain benefits. Can be **half** (10 hours of work per week) or **full** (20 hours of work per week) **time**.

Benefits:

Stipend (bi-weekly paycheck), **Tuition Scholarship** (half the standard graduate rate for half-time assistantships, full standard graduate rate for full-time), **Student Health Plan Enrollment** (full-time only, must meet criteria to be eligible)

For teaching and research assistantships, or graduate assistantships within your department, **contact your Director of Graduate Studies**. For other graduate assistantships across campus, **go to the UK jobs website** (www.uky.edu/hr/ukjobs), click on "student jobs", and look for graduate assistantship positions

→ GRADUATE SCHOOL FELLOWSHIPS

A short term, paid opportunity that provides financial support for students to use for a variety of activities, including academic study, research, and/or professional development. Fellowships are typically **merit-based** and **competitive** and may include **working responsibilities**. Can be **full** fellowships, **half** fellowships, or **add-ons**, depending on the fellowship

Benefits(most fellowships):

Stipend (bi-weekly paycheck), **Tuition Scholarship** (standard graduate rate), **Student Health Plan Enrollment** (details at gradschool.uky.edu/fellowships)

Scan the QR code above or visit gradschool.uky.edu/fellowships to find out specific criteria, deadlines, benefits, etc. for each fellowship. **Chrome** is the recommended browser for using the Grad School's Fellowship Portal to apply for fellowships. For fellowships requiring a nomination from the Director of Graduate Studies, students include the signed DGS form with their uploaded files for each application. Links to DGS Nomination form templates for each DGS-Nominated Fellowship can be found in the descriptions for each of those fellowships
