

ACKNOWLEDGMENTS

The following thesis, while an individual work, benefited from the insights and direction of several people. First, my Thesis Chair, Xxxxxx Xxxxxx, exemplifies the high quality scholarship to which I aspire. In addition, Xxxxxx Xxxxxx provided timely and instructive comments and evaluation at every stage of the thesis process, allowing me to complete this project on schedule. Next, I wish to thank the complete Thesis Committee: Xxxxxx Xxxxxx, Xxxxxx Xxxxxxxx, and Xxxxx Xxx. Each individual provided insights that guided and challenged my thinking, substantially improving the finished product.

In addition to the technical and instrumental assistance above, I received equally important assistance from family and friends. My husband, Xxxxx Xxxxxx, provided on-going support throughout the thesis process, as well as technical assistance critical for completing the project in a timely manner. My mother, Xxxxx Xxxxxxx, instilled in me, from an early age, the desire and skills to obtain the Master's. Finally, I wish to thank the respondents of my study (who remain anonymous for confidentiality purposes). Their comments and insights created an informative and interesting project with opportunities for future work.
