

UK Graduate School **Overload Request Form**

(For UK Employment in Excess of a Full-Time Assistantship)

This filled-in form must be sent by the DGS as an e-mail attachment to the Graduate School Dean inbox (gsdean@uky.edu). That e-mail must be copied to the student, the student's current supervisor, and the overload activity supervisor (if different from their current supervisor).

In sending this request, the DGS affirms that he/she believes that the requested overload activity will not interfere with the student's ability to handle their coursework, current workload, or their timely progress to degree, and that the student has agreed to this overload activity.

NOTE: Please do not submit a GSAS form subsequent to an overload approval. Doing so may create a tuition over-payment which the student would be responsible to repay. If you have any questions regarding tuition or the GSAS form, send emails to: GSAS@email.uky.edu
