Survey on Confucius Institute Closing at UK

Sponsor: Asian/Asian American Club

President: Yan Wang (yan.wang80@uky.edu)

Anonymous Survey Link:

https://uky.az1.qualtrics.com/jfe/form/SV_0NZxaYcTVte86G2

The current anti-Asian hate crimes, especially the massive shooting in Atlanta, has seriously damaged the Asian and Asian American community. Closing the Confucius Institute, which has been a comfort zone for the Asian community and intercultural learning, has also damaged the Asian community and other community that has been benefitted from the Confucius Institute on campus. The survey invites the UK community

to share their thoughts on the closure of the Confucius Institute and to provide suggestions to the university to continue supporting student sense of belonging and intercultural learning. It will be very helpful for the university to hear from the community and provide support that the community needs the most. Thank you in advance for your support.
