McNair Fellowship

Nomination Instructions/Information

For Students:

1. If you wish to request a nomination for this fellowship, please provide either a printed or emailed copy of this form to your DGS for completion, along with your name and student ID number.

2. After this form has been completed by your DGS, you will need a pdf copy of it to attach to your fellowship application. The fellowship portal will not allow you to submit your application without an attachment. Attaching any other document will result in an automatic disqualification from this fellowship.

3. Receiving a nomination from your DGS **does not** guarantee your eligibility for this fellowship.

For Directors of Graduate Studies:

Once you have completed the form, please return it promptly to the student to ensure adequate time for inclusion with other documents in the application process prior to the application deadline.
